## Is 45 Seconds Fast Enough?

United Resin Corporation located in Royal Oak, Michigan, has been producing epoxy formulations for over 40 years. We have developed a very fast cure epoxy adhesive called E-Cast F-28 resin and 385 hardener. It is a clear, 45 second cure adhesive ideally suited for a variety of substrates including plastic (non-polyethylene or propylene) metal, glass, wood, concrete and others. In it's user friendly 1:1 ratio, it produces a tenacious bond and is RoHS and REACH compliant. Please contact us at 800-521-4757 to request a test sample and technical information.
