RoHS REACH HALOGEN FREE

All of United Resin Corporation's epoxy systems are compliant with RoHS Directive 2002/95/EC and REACH requirements.

In addition, United Resin Corporation has transitioned its COB and Circuitbond epoxy systems to be in compliance with IEC (International Electrical Commission) 61249-21 concerning the limitation of certain amounts of chlorine, bromine and halogens. Those designated limits are as follows:

- < 900 PPM Chlorine**
- < 900 PPM Bromine**
- < 1500 PPM Halogens**

Please contact our sales representative in Michigan at 800-521-4757 or in Arizona at 480-830-3200 to obtain information.
